

Rotary

The Rotary Club of Dunedin Charity Wine Auction has become a signature fundraising event in the region, with many worthwhile organisations throughout Otago receiving over \$150,000 in the past xx years.

This year we are combing the traditional wine auction into a general auction, as you will see inside this catalogue, we have an incredible amount of very special items for sale.

The money you spend tonight, including the auction items, raffles and ticket sales will go towards helping two local Dunedin charities - ChatBus and The Otago Southland Cancer Society, both of which do exceptional work in our community.

Sit back and relax, you are in for a night of fun, laughter and entertainment.

Thank you & Enjoy!
The Rotary Club of Dunedin

The Cancer Society

The Cancer Society is the leading non-government organisation dedicated to reducing the incidence of cancer and ensuring the best cancer care for everyone in New Zealand.

As an independent organisation, the Cancer Society receives no direct government funding and is entirely reliant on donations, bequests and community fundraising income in order to sustain a wide range of free services to help all people affected as the result of a cancer diagnosis.

ChatBus Trust

Dunedin mobile counselling service ChatBus is busier than ever as counsellors deal with a "marked increase" in anxiety and anger among children.

In 2018, ChatBus' five counsellors worked with more than 700 children in 16 Dunedin and Mosgiel primary schools. With constant demand from schools to join the service, Chat Bus has expanded its reach for 2019, and now has six counsellors working in 23 primary schools.

Funded through grants and the schools it works with, ChatBus has bought two new vehicles with grants from the Bendigo Valley Foundation, Otago Community Trust, and Conflict Toolbox. It now has five small buses set up as counselling spaces and will be expanding to Gore and Invercargill during this year.

ChatBus is part of the pastoral care provided to children through schools and are there to support families and to give children a voice.
